hired 2023 Impact

Hired helped job seekers prepare for more prosperous futures...

3,734 individuals received career coaching to find, prepare for and secure family-sustaining employment.

8,267 children gained increased stability at home as their parents progressed toward careers to support their families.

Savanthia's journey with Hired began in her teenage years, diving into the youth program. Enthusiastically enrolling in various classes, she honed her employment skills and built a lasting bond with her counselor. Two decades later, Savanthia found herself back with Hired, this time in the MFIP program. During her time at Hired, her counselor supported Savanthia with gas cards, uniforms, and numerous other community resources to help her successfully transition out of the program. Embracing the opportunity, She recently graduated from the MFIP program and found full-time employment as a Home Health Aide at Trust Medical.
